ABSTRACT

This CD-ROM provides a collection of Internet resources as well as K-16 related science materials and is divided into two sections. "Online Resources" includes information on the Educational Resources Information Center (ERIC), National Standards, AAAS Project 2061 Resources, U.S. Department of Education, Third International Mathematics and Science Study (TIMMS), and Useful Links. "Resources" includes Science Education Major Topics and Themes; Science Education Journals; Science Education Professional Organizations; ERIC Science Digests; State Departments of Education and State Science Frameworks; and Equipment, Tools, and Software for Science Teachers.
